teething is not related to physical or mental growth. Some parents believe that their babies will walk faster if they wear shoes. The experts say that this, too, is a myth□babies who go barefoot develop their muscles more rapidly. Parents who want the best for their children should pay attention to the facts instead of blindly following anything.

head of the department. A few months later, Janet told her employers about her pregnancy. At first, they congratulated her on her pregnancy. Over the next few weeks, her workload just continued to grow. Later that month, the personnel director told her that, due to her inability, they had to let her go. She asked him why they had promoted her for her excellence and now decided to let her go. \*pregnancy 임신

now it's not easy to get out of debt. If you're serious about it, it's essential that you make some changes in your lifestyle and spending habits. Here's what I suggest that you do. First, I strongly recommend that you start working full-time instead of part-time, and that all of your extra money go toward the credit card debt. Second, I advise that you cut your expenses by 25%. It is necessary for you to spend money only on essential things for a while.

The poetry in her first volume, *The Colossus*(1960), did not attract much attention: it consists of fairly quiet poetry about objects, and contains only hints of the violent style found in *Ariel*(1965). It was written in a last burst of mad energy before her death. The poems in *Ariel* have been overrated, but they are very impressive and fascinating. \*overrate 과대평가하다

...es of the U.S.A. have very strict laws to limit the hunting of deer. Some hunters, however, do not obey the laws and try to kill many deer. So, the forest services have developed a robot that looks and acts just like a deer. This robot-deer is left in the woods. If a hunter tries to shoot it, the police come up and check his hunting license. The hunter may have wanted to get a deer, but, instead the deer has gotten the hunter. [2 점]

s, he takes his seeds and gives them to the earth. When you want a smile, you give yours. When you help people, they help you. If you want people to give you money, share some of yours. What you give away will tend to come back to you. Some people say, "I've given all my life and got nothing back." I don't think they were giving, I think they were measuring, and there's a difference.

are really trying to conserve oil. As a result, there have been many changes in lifestyle. For one thing, people are buying smaller cars. In addition, some people are taking fewer vacations because of the high cost of fuel. When they go on vacation, they are often going to places closer to their home town. Finally, people are trying to use less heat in the winter and to use their air conditioners less frequently during the summer.
